3. You must continue to visit one of the practitioners listed above if you require treatment during the first 90 days from the date of your initial visit.
4. After this 90-day period, if you still need treatment, you may choose to go to another licensed physician or practitioner of the healing arts for treatment. You should notify your employer within 5 days of your visit to the person of your choice. Your bills will be paid if your licensed physician or practitioner of the healing arts files reports as required (these reports must be filed within 30 days after your first visit and at least once a month for as long as treatment continues).
5. If one of the persons listed above refers you to another licensed specialist, your employer or his insurance company will pay the bill for these services.
